FOR IMMEDIATE RELEASE

Hanover, MD — July 2024 — Hudson Cook, LLP is proud to announce that Rebecca "Becki" Kuehn, a partner at the firm, has been selected as a finalist for the prestigious 2024 Women in Consumer Finance Uplift Awards. This recognition places her among an elite group of six women nominated as Empowering Executives in the financial services industry.

Founded in 2018, Women in Consumer Finance (WCF) addresses the critical need for greater diversity in senior management roles across financial services, particularly for women and women of color. Through annual summits, digital workshops, and a bi-weekly newsletter, WCF has become a pivotal platform for over 400 female leaders annually, promoting career development and networking opportunities.

Becki's nomination for this award was championed by her peers, Julia Whitelock and Erica Kramer, who highlighted her dedication to leadership and significant impact on the consumer finance sector.

The award winners will be announced during a special luncheon on November 12, 2024, at the Women in Consumer Finance conference, where finalists will be honored for their contributions to the field.

"Being recognized by Women in Consumer Finance is a tremendous honor and reflects our firm's commitment to fostering an inclusive and empowering workplace," said Becki. "I am grateful for the nomination and excited about the future of leadership diversity within our industry."

Hudson Cook continues to support and celebrate the achievements of women in all areas of financial services and is committed to advancing diversity within the industry.
