Staying Out Of The Limelight: How to Remain Privacy Compliant And Out Of The AG Headlines

Legal/Compliance

2:00 PM - 2:45 PM

Arlington Salon 2

Description

Between new threats from old surveillance laws to new laws on automated decisionmaking and AI, U.S. states are ramping up enforcement of privacy laws. This panel will discuss new risks for screeners and data companies—from state privacy laws beyond the comprehensive consumer data laws relating to data brokering, biometric information, data security, deceptive trade practices, and more—and how to avoid regulator and AG attention.
